

# Full Time Podiatrist Required - Victoria Point

Feetology Podiatry Centre has just had an opportunity become available for a full time podiatrist to join our team.

Read on if you are a team player, have a desire to learn and grow your skills both as a podiatrist and a person and you enjoy working with established frameworks.

If you are the successful applicant, you will be joining a team that unites to provide the best experience possible for our patients.

- Our patients range from paediatrics through to geriatrics, and you get to utilise your biomech and general care skills every day.
- This is a role for a podiatrist who likes to see variety.
- This role is 100% based in the clinic, no house visits or nursing homes required.

## How do we help you to learn and grow?

- Providing mentoring and training, it is a big part of what we do
- You are part of a podiatry team, with access to the owner and other practitioners to assist your learning
- Providing all the support necessary for you to reach your goals in a caring, fun and supportive environment

You will be working in a purpose built practice, providing the best care and experience for our patients. We have state of the art treatment rooms, utilise treatment modalities like Swift Microwave therapy, shockwave and computerised gait analysis, and have full reception support so you can focus on caring for your patients.

The role is Monday to Friday - no weekend work .We provide a great remuneration package which includes registration, insurances, Association Membership and generous CPD allowance.

Feetology is located in Brisbane's southern bayside area of Victoria Point. If you choose to live here, it is a growing area offering many great schools, sporting clubs and a bayside lifestyle. Or it is only a
